If you do experience any difficulties with our fonts, we will look into the problem and hopefully send you a fixed version as soon as possible.

Any breach of the terms and conditions of this agreement terminates your license to use the fonts. After any termination of the agreement, you must destroy any copies of the fonts, including your archival copies.

Respect copyright,

The legal consequences of using unlicensed or adapted fonts can be very expensive and result in the enforced removal of all offending copies. Badly adapted fonts are often found to have a range of serious technical and design errors, the most common being missing kerning (contextual inter letter spacing), missing characters, poor spacing, incorrect point construction (leading to printing problems and distorted character shapes), font ID clashes and missing counters due to incorrect path directions. Be legal, be safe.

Violation of the license will be charged 10 times the extended license price that applies to the Balibilly Design website.

Any and all rights reserved Balibilly Design.
